Day Excursion to Dujingyan Irrigation System and Mt. Qingcheng (B)

Today your tour starts at 8:00 AM when your guide and driver pick you up from your hotel and drive about 1 hour to Dujiangyan where you'll visit the ancient Dujingyan Irrigation System, constructed over 2,200 years ago during the Qin Dynasty. It's known for its innovative design, diverting water from the Minjiang River to support local agriculture. You'll explore its key features, including Yuzui, Eishayan, and Baopingkou, which ensure efficient irrigation and prevent flooding. After lunch, you'll head to Mt. Qingcheng, a sacred Taoist mountain renowned for its natural beauty and spiritual significance. You'll explore Taoist temples, lush landscapes, and historical sites like Jianfu Palace, Shangqing Palace, and the Tianshi Cave, accessed via cable car, normally we suggest our clients to take the cable car up and walk down. You'll return to your hotel in Chengdu in the late afternoon for a well-deserved rest.
